Subject: Cake Dessert
Date: Wednesday, February 15, 2023 10:24:56 AM

Dear Catherine, Billy,

Can I ask your help on ordering the cake dessert as tokens of thanks for all event helpers? There are ~100 event helpers + ~20 from core team + xx from eLab development team. I think would be around 150 pieces. I will check with eLab and confirm.

Not sure if the messages on top can be customized to reflect go green messages. Please help check with the shop. Thanks.
